1. The information disclosure statement (IDS) submitted on July 24, 2007 was filed after the mailing date of the Notice of Allowance on July 13, 2007. However, as evident from (a) the copy of the postcard included in the submission filed July 24, 2007 and (b) the electronic date stamp in the IFW records for the documents cited, it is clear that the documents listed on the 1449 form were included in the submission filed on July 6, 2006. Thus, the submission is being considered as having been filed on July 6, 2006 and the included statement under 37 CFR §1.17(e) renders the submission to be in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner, as indicated on the initialed copy being attached hereto.
